TRANSMITTAL OF SUBSTITUTE DRAWINGS

Dear Sir:

Transmitted herewith are five sheets of formal drawings  
for filing in the place of the drawings on file in this  
application. The enclosed substitute formal drawings include,  
among other corrections, English language translations of terms  
in the German language describing like elements of the earlier-  
filed drawings.

No new matter is added by the substitution of the  
enclosed drawings for those earlier submitted.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'E. N. Kramsky', written in a cursive style.
